

ABOUT AfUSA

The Africa-USA International Chamber of Commerce and Industry (AfUSA) is a non-profit, mutual benefit, business organization established to promote trade, commerce, educational, and cultural development between the people and business enterprises of the United States of America and the nation states in Africa. We actuate our mission through bilateral trade programs that:

- Contribute to the development of Africa-USA business opportunities
- Encourage and facilitate mutual Africa – USA business investment
- Promote economic, cultural and human resource development.
- Correct the commercial misunderstandings of Africa
- Recruit minority and women owned small and medium-sized businesses to stimulate Africa-USA bilateral trade opportunities,
- Broaden the existing trade finance infrastructure for Africa-USA international trade transactions, and generating federal and state interest and expenditures directly related to Africa-USA bilateral trade promotion.

2023 USA DESTINATIONS

WHY JOIN US?

The conference will promote and support the use of trade, investment, and economic development for conflict resolution programs that...

- Promote and facilitate the acquisition of conflict management and resolution skills through a collaborative effort of local and credible NGO's
- Promote and provide strategies for the inclusion of marginalized groups in trade, investment, and local economic development
- Promote the establishment and operation of peace building strategies and institutions that establish and maintain successful conflict resolution training and behavior modification programs
- Establish regional transformation based upon modern methods of social and economic development
- Develop trade, investment and economic development networks which can immediately be relied on to increase peace and sustainability
- Establish of small business cooperatives that work towards the accomplishment of the regional master plans for trade, investment, and local economic development

SACRAMENTO, CALIFORNIA USA

April 2023

California is one of the 10 largest economies in the world with a gross state product of \$3 trillion. International trade and investment are major parts of our economic engine that broadly benefit businesses, communities, consumers and state government.

ATLANTA, GEORGIA USA

August 2023

Georgia provides companies with the largest inland port in the world at the Hartsfield-Jackson International Airport. Georgia companies contributed to record trade flows in 2021 following a challenging year for global trade in 2020. Georgia's total trade with the world reached \$166.11 billion, spanning 223 countries and territories.
